United States District Court for the District of Maryland
101 West Lombard Street
Baltimore MD 21291

Re: *First Data Merchant Services Corp., et al. v. SecurityMetrics, Inc.*, No. 12-cv-2568

Dear Judge Bennett:

By letter order dated today (ECF No. 230), the Court set a telephonic conference to address discovery issues for 11:30 a.m. next Wednesday, June 18, 2014. Counsel for SecurityMetrics will already be in the East for depositions, and would be pleased to appear in person (rather than telephonically) at that date and time, the Court permitting. Counsel for SecurityMetrics therefore respectfully request that the Court permit them to attend next Wednesday's hearing in person, with counsel for First Data attending either telephonically or in person, at their election.

Respectfully,

MASCHOFF BRENNAN
